EXCLUSIVE PROPOSAL

Doxus

Your broadcast becomes complete digital ministry

Generative AI | YouTube → Content | Automatic SEO

YouTube Processing

Transcript, summary, and study guide generated automatically in ~30 minutes.

Live Broadcast

Real-time transcript, segment summaries, and Bible texts surfaced as the pastor preaches.

SEO & Indexing

Every sermon indexed on Google with no manual work from the church team.

HOW IT WORKS

Simple for the church, powerful for the members

Three steps. Everything automatic after the channel is connected.

01

Broadcast on YouTube

Live or recorded, exactly as you do today. No workflow change for the church team.

02

AI processes everything

Transcript, summary, verses, Bible characters, topics, and study guide — produced in ~30 minutes.

03

Members find and study

Your church page indexed on Google. Anyone visits, studies, and follows along — no login, any device.

Timeline after the YouTube upload

0 min	Upload published on the YouTube channel
~5 min	Transcript completed
~15 min	Summary, verses, and characters extracted
~25 min	Full study guide generated by AI
~30 min	Page indexed on Google with automatic SEO

> The church team doesn't have to do anything beyond broadcasting on YouTube as usual. Everything else — from processing to publishing on Google — is fully automatic.

AUTOMATIC PROCESSING

From YouTube to content in 30 minutes

Automatic detection
New videos are detected the moment they're published on the channel.

Full transcript
Text with paragraph-level timestamps.

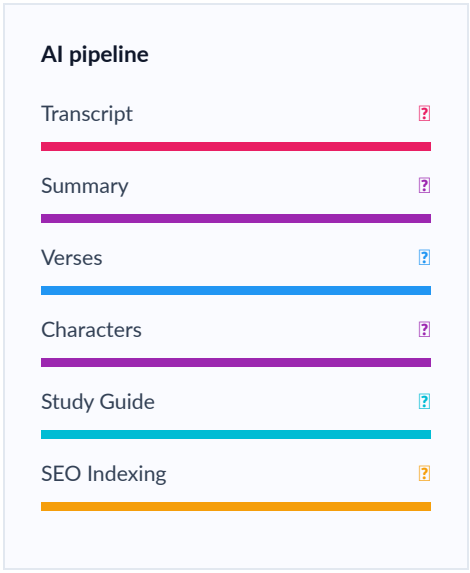

Executive summary
Clear synthesis of the main points, ready to share.

Verses extracted
Bible texts identified with full reference and linked for cross-search.

Bible characters
Figures identified with profile, context, and related sermons.

Theological topics
Themes grouped automatically — faith, grace, redemption, and others.

Automatic SEO
Friendly URLs, meta tags, and structured data with no manual work.

AI STUDY GUIDE

Every sermon becomes a study guide ready for the week

The AI analyzes the preaching and produces material for cell groups, small groups, and personal devotion.

Message Summary
Synthesis of the main points. Ideal for those who missed the service or want to revisit during the week.

Key Verses
Bible texts cited with complete references, linked for cross-search.

Bible Characters
Figures identified with context and every sermon that references them.

Theological Topics
Faith, grace, redemption — grouped by sermon. Find messages on any theme.

Discussion Questions
Cell-group questions generated by AI, drawn directly from the sermon content.

Closing Prayer
Suggested prayer drawn from the message — for personal devotion or a small group close.

FOLLOW ALONG MODE

Study alongside the video — guide synchronized in real time

The guide syncs with the video. Verses, questions, and notes appear at the right moment in the preaching.

- → Synchronized with the video
- → Notes tied to timestamps
- → Questions at the end of each point
- → Available any time

LIVE BROADCAST

More than watching — participating in real time

During the broadcast, members get a live transcript, segment summaries, and live Bible texts.

Live Transcript

LIVE

The sermon text appears on screen as the pastor speaks. Essential for members with hearing impairments or limited connection.

- Text generated in real time during the broadcast
- Cited verses highlighted automatically
- Late arrivals see a summary of what they missed
- Synchronized with the live YouTube video

Live Bible Texts

When the pastor cites a verse, the full text appears on the member's screen — no need to open another app.

John 3:16 · appears live

"For God so loved the world that he gave his one and only Son..."

Live Summaries

AI

AI automatically generates short summaries and analysis of what's been preached. Whoever arrives mid-service reads in seconds what they missed.

Summary · 0h00 – 0h12

The pastor opened on Hebrews 11:1, presenting faith as the assurance of things hoped for. Theme: trust in uncertain times.

Summary · 0h12 – 0h24

Example of Abraham (Gen 12). Three points on obedience without knowing the destination. Verses: Rom 4:18–20.

Summary · 0h24 – now

Practical application: how to exercise faith day to day. Cites James 2:17 on faith and works.

MESSAGE REACH

The message arrives where members are

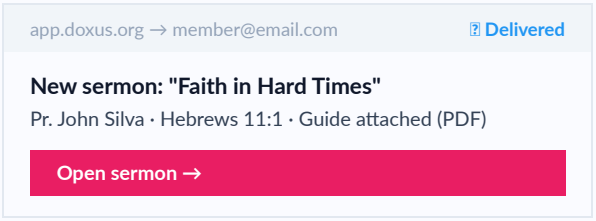

As soon as the preaching is processed, it's distributed automatically by email to subscribers — with no effort from the team.

Email Subscriptions

EMAIL

Anyone can subscribe to your church's channel with their email. When a new sermon is processed, they receive automatically:

- Direct link to the sermon page
- Full Study Guide attached as a PDF
- Summary and key verses in the email body
- No login — unsubscribes with one click

DIGITAL VISIBILITY

Every sermon indexed on Google automatically

Everything generated by Doxus is published on pages optimized for search engines.

- Friendly URL per sermon (app.doxus.org/your-church/faith-in-hard-times)
- Meta tags, Open Graph, and JSON-LD structured data
- XML sitemap updated automatically with every new sermon
- Rich text content: transcript + summary + verses
- Channel page with every sermon indexed on Google
- Breadcrumbs and internal links for organic ranking
- Rich social-media sharing
